Newark, N.J.

My dear Mrs. Manley:

This is to inform you that immediately after our telephone conversation of a few days ago I sent a communication to Mr. Forbes of Eagle Travel Agency seeking an appointment to discuss the matter along the lines discussed by us. I received a telephone call today from Mr. Forbes in which he states that he was not interested in having any conference as he has nothing to do with the transaction, but that any proposition that we have to offer we can submit it to him and he will in turn transmit it to the proper parties for consideration.

On receipt of this letter I wish you would advise me what further steps you desire to take.

Very truly yours,

Richard E. Carey
